About us

Harutti is a contemporary furniture brand rooted in Italian design culture and timeless aesthetics. We create refined pieces shaped by craftsmanship, material quality and balanced proportions.

With a presence in Oslo, Dubai and Miami, we collaborate internationally with architects, designers and project developers, offering custom solutions for residential and hospitality spaces.

Harutti represents quiet luxury — furniture created for exclusive private homes, luxury villas, boutique hotels and distinguished commercial interiors.

Soriso

With its distinctive circular chaise and calming proportions, Sorriso transforms relaxation into an everyday luxury — where comfort gently embraces design.

Tata

Tata expresses a relaxed, sculptural approach to comfort. Its deep, generous seating and soft, rounded volumes invite effortless lounging, while the rich upholstery highlights a refined, contemporary mood.

Sontuosita

A sculptural Sontuosita sofa defined by soft volumes and quiet elegance.
Feather-filled comfort meets architectural balance, with marble elements
integrated in a seamless way.
An invitation to refined, contemporary living.

Sfarzo

Sfarzo expresses a quiet balance of sculptural lines and soft volumes. Its low, generous proportions create a sense of calm, while the integrated marble detail adds subtle depth.

Profondo

Profondo sofa presents a refined, contemporary silhouette defined by clean lines, low-profile proportions, and quiet sophistication. Its generous cushions and tailored structure offer a calm, minimalist presence crafted for modern, elevated living.

Presidente

Presidente sofa embodies a refined balance of structure, comfort, and contemporary presence. Its generous seating and tailored silhouette create a calm, architectural impression for sophisticated modern interiors.

Gabriella

Gabriella sofa embodies a relaxed, architectural approach to comfort. Its soft, sculpted cushions and refined silhouette create an atmosphere of quiet luxury, designed for contemporary living.

Belvedere

Belvedere sofa presents a relaxed, draped silhouette defined by soft cushions, low proportions, and an understated contemporary mood. Its effortless elegance and inviting comfort make it a refined companion for modern living spaces.

Calore

Calore sofa features a soft, sculptural silhouette with generous curves that invite relaxed, effortless lounging. Its refined proportions and contemporary presence make it an elegant centrepiece for modern interiors.

Incontro

Incontro lounge chair combines sculptural lines with soft, generous cushioning, creating a lounge chair that feels both modern and inviting. Its curved metal frame adds a distinctive architectural touch, giving the piece a strong personality suitable for refined contemporary interiors.

Trittico

Trittico chair stands out with its sculptural silhouette and bold cowhide upholstery, offering a refined balance of texture and form. Its sleek metal frame and angular lines bring a contemporary edge, making it a striking accent piece for modern, eclectic interiors.

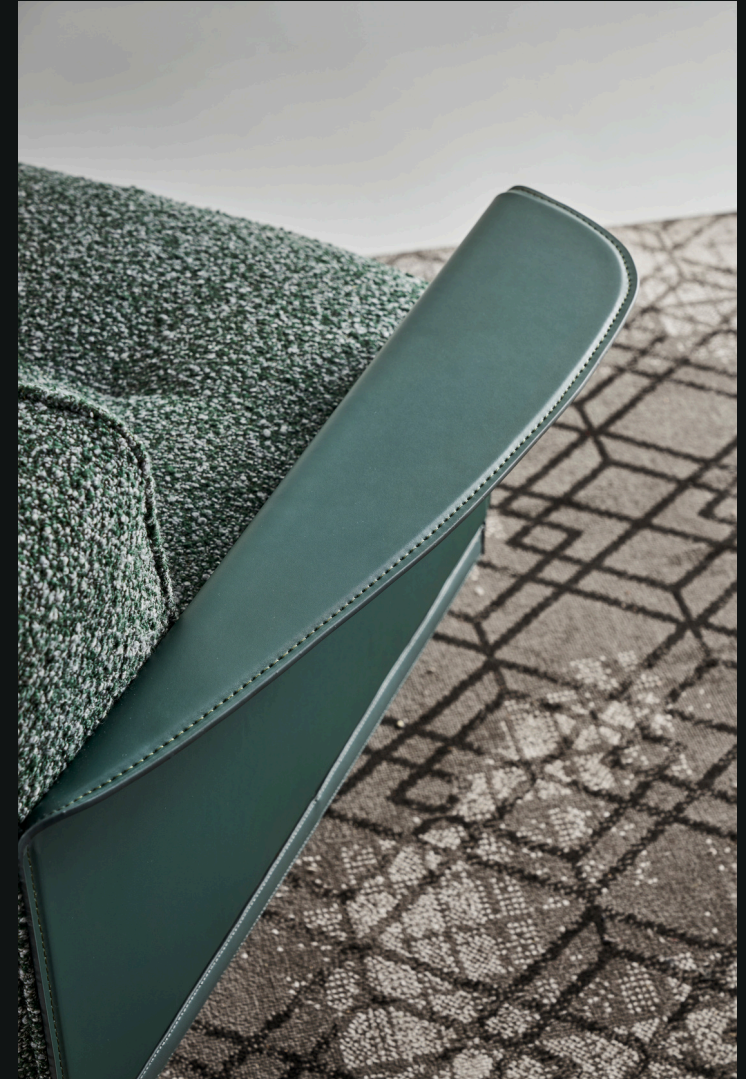

Vapore

Soft, rounded cushions float above a sleek metal frame —
Vapore chair brings artistic comfort to modern living.

Sospeso

The Sospeso lounge chair features a contemporary design with speckled upholstery and sleek, straight armrests. The plush cushion provides comfort, while the round metal base adds a modern and functional swivel feature. Perfect for a stylish and modern living space, this chair combines comfort with a unique, sophisticated look.

Flusso

Flusso chair invites you to unwind — plush, embracing, and beautifully balanced for both casual moments and elegant settings.

Tavolo

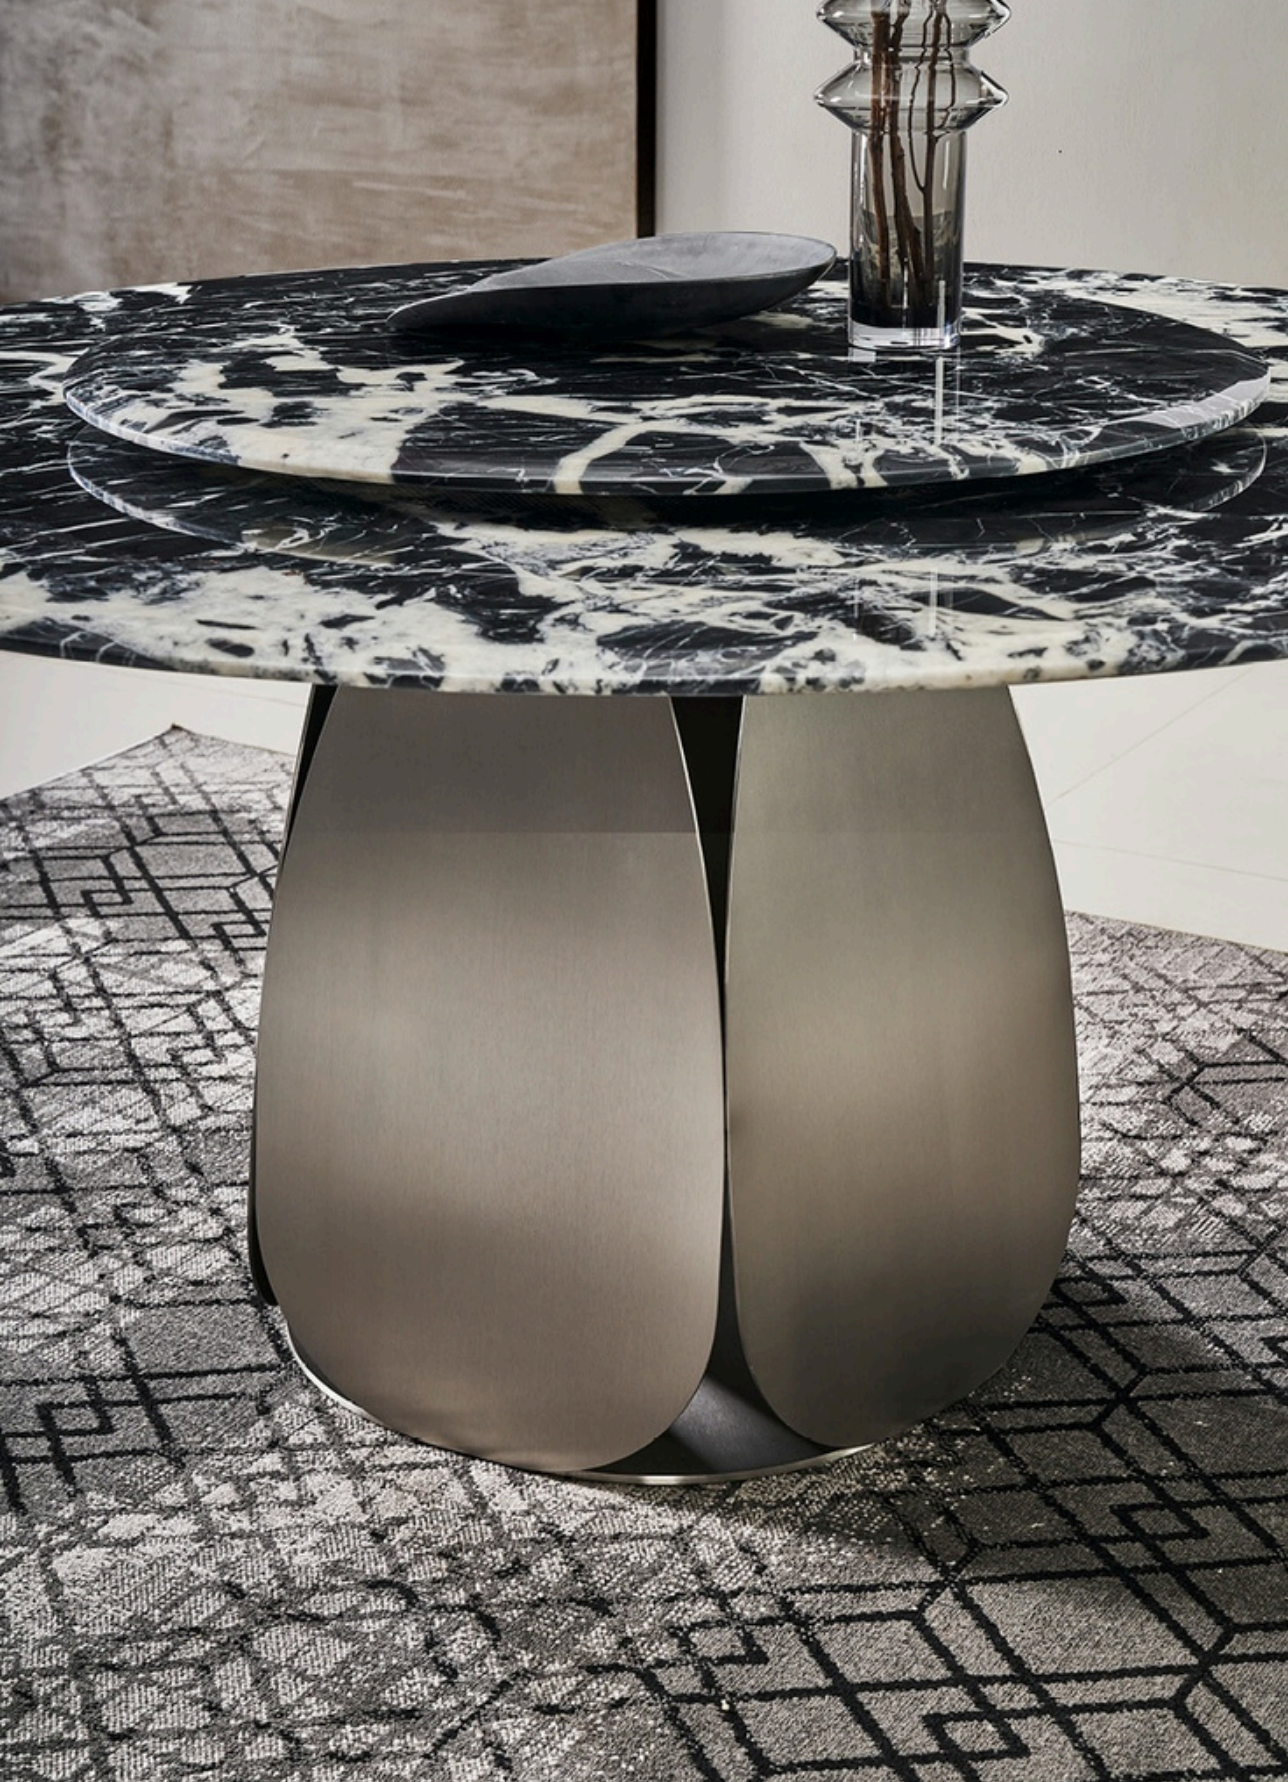

With its refined marble surfaces and modern form, Tavolo brings enduring elegance and a gallery-like presence to contemporary interiors.

Trama

Where art meets dining.
The dramatic marble top and curved steel base form a
powerful silhouette — a statement of modern
sophistication at the heart of the room.

Liscio

Modern refinement, expressed through pure form.
The seamless blend of marble and wood delivers natural warmth
and presence — a centerpiece crafted for elevated gathering.

Ristoro

Soft curves meet architectural strength.
The harmony of marble and wood brings a
welcoming sophistication to modern dining spaces.

Mormorio

Soft stone and architectural lines in
perfect harmony.
A modern dining statement defined by
elegance, balance, and design purity.

Scorcio

Sleek geometry meets luxurious materials.
A versatile, contemporary dining table with a quiet, enduring sophistication.

Where serenity meets sculptural elegance.
A soft, enveloping silhouette that invites pure comfort —
transforming the bedroom into a restful sanctuary of
modern sophistication.

Virtu

Bold proportions and impeccable tailoring define Virtù — a statement bed with quiet authority.

Its sculpted, upholstered form embraces you in comfort, elevating the bedroom into a space of modern luxury and serene confidence.

Eremo

Soft geometry and tailored upholstery create a sanctuary of quiet elegance.
Eremo's calming presence transforms the bedroom into a refined retreat
— where comfort becomes a sculptural art form.
